

Service Record

The following pages are designed to be stamped with the sales stamp of the automobile repair professional who services your PEUGEOT.

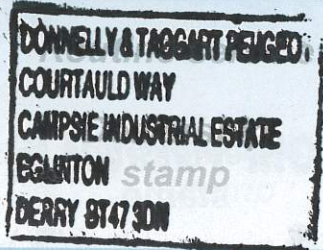

We recommend that you keep the invoices and documents that relate to the maintenance carried out on your vehicle.

• Having the routine services carried out is a compulsory requirement to meet the conditions of the manufacturer's warranty.

Have the boxes below (date, mileage, next service, etc.) completed, according to your operating conditions, by the automobile repair professional you have chosen.

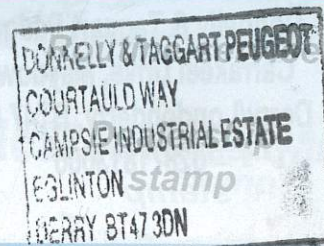

If the vehicle is sold, it is necessary to hand all the vehicle documents to the new owner.
